# ADDRESS OF FATHER FLANAGAN OPEN TO ALL

Plans are nearing completion for a city-wide reception and address of Rt. Rev. Msgr. E. J. Flanagan, founder of Boys Town, which is scheduled for Monday night, November 27th, at the high school auditorium, according to Clyde T. Ardon, general chairman of the committee in charge. The program will start promptly at 8 p. m. The address of Father Flanagan, which is being sponsored by the Alameda, Fraternal Order of Eagles, is open to all youth, civic, fraternal and religious organizations as well as the general public and admission is free of all charge, Ardon stated.

A short musical program has been arranged to precede the talk of Father Flanagan, the high school band under the direction of John Wegner and the high school choir club, directed by Stephen Hmer, to render several numbers. Members of the Albany high school football team will act as ushers. Twenty-seven years ago, without money, support or encouragement, Father Flanagan founded, in a small old house in downtown Omaha, a boy's home on \$90.00 of borrowed money. From this humble beginning has come Father Flanagan's Boys' Home, popularly called "Boys Town," after the community in which it is located. . . . own the world over as the haven of the homeless boy, regardless of race or creed.

The story of Boys Town is the story of one man's devotion to an ideal and his unshakable faith in human nature. Years before his latest work with boys began, Father Flanagan became interested in the thousands of idle and destitute homeless men who came into Omaha during a drouth, because of lack of work on the farms. Working to help these men, Father Flanagan gradually found not much had been done to improve their conditions of mind and their stations in life, because of lack of proper training in their long past formative years. Father Flanagan found that fact over and over again. . . . these men were once homeless, stranded youths who drifted into the present ways of living because one was interested in their welfare. . . . because no one lent them a helping hand in the years they lived it most. Had they been there when Father Flanagan met them, he knew the story would have been different.

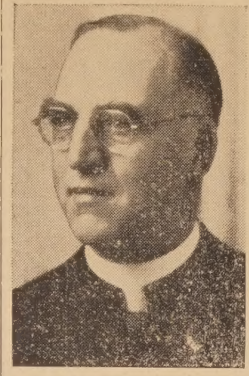

On, shortly before Christmas in 1907, with this \$90.00 of borrowed money, Father Flanagan made his dream a reality and Boys Town came into its existence in a large home in downtown Omaha.

Boys Town was founded as a non-sectarian institution, serving all creeds and races, and Boys Town will always be non-sectarian. Boys Town, each boy worships the creed of his choosing, but a basic rule of Boys Town is that a boy must respect his religion and follow it whatever it may be. Local citizens are warned to see it a point to reach the high school auditorium early to insure themselves a seat as indications point to a large gathering with representatives from the entire East expected to attend.

## Mothers Club To Entertain NCCW

The Mothers Club of the School of the Madeleine will be hosts to the next regular meeting of the National Council of Catholic Women Friday afternoon, Nov. 21st at 4 o'clock. The meeting will be held in the Parish Hall of St. Mary Magdalene's Church, Berkeley. Mrs. Paul McGuire will open the meeting and extend the Mothers Club welcome to members of N.C.C.W. and their friends. Optional speakers have been asked to speak on topics of special interest to Catholic Women. The committee in charge of the meeting headed by Mrs. McGuire are Mesdames R. Graham, J. Hanan, E. Bruggere, M. Redman, M. Marzluft, H. Grady, R. Mag and J. Murphy. The meeting will be concluded with the singing of refreshments provided by the Mothers Club.

Wish the fight with War Bonds!

Father Flanagan.

## Exchange Club To Assist in War Loan Drive

At a dinner meeting last Tuesday at Helen's Kitchen the Albany Exchange Club rounded out its plans for the Sixth War Loan Drive. The club plans, as in the past, to have a joint drive combined with the Eagles and the American Legion.

Ed Haran, chairman of the Christmas informal dinner dance, reported on the progress of that affair which this year is to be held in the Hotel Alameda, Friday, Dec. 8. According to John Ogden, Earl Ivy and Ernie Sona, assisting Haran with food, entertainment and music, the party bids fair to be a gala affair. Members of other Albany service clubs and friends of Exchange members are being cordially invited to join in celebrating this Christmas party. Tickets are available from any Exchange Club member in Albany.

Next Tuesday evening, November 21, the club will hold its annual Turkey Shoot at Helen's kitchen. According to reports ducks have proved too small for some of the boys and birds of a larger variety are being lined up for the poorer shots to bag. However, the heavy rifle boys will take theirs on the wing from moving blinds or "whatever it is they shoot from." Johnny Ogden and Hostess Helen have been out arranging the fixings, and Pete Poggi, club vintner, is culling over the club's best santeries and liqueurs for this festive Thanksgiving celebration. It has been reported that members are being induced to bring their own butters.

"Reno Night," scheduled for Bill Garren's home, is to be Tuesday, November 28. A new roster of all club members is being prepared by Bob Miller of Repp's Pharmacy, to include names, birthdays and a little praise for each man on the business side.

Chief of Police Stanley Williams, the first treasurer to take the club "out of the red into the black" was given an ovation upon his report and many were the requests to "bury the dough quick."

## Albany High Band To Appear in California Stadium

Albany High Band will appear in their uniforms of red and white to represent A.H.S. at the California Stadium this Saturday. The band will be on hand for both games, the preliminary game, between Piedmont's Highlanders and the Albany Cougars and the regular game between U.S.C. and the University of Calif. Albany's Band has a special program worked out with the California and Piedmont bands. It will include marching in formation with the other three bands.

Saturday will be one of the big events of Albany High's fall term. It will be the first time any league game of the A.C.A.L. has ever been at the California Memorial Stadium. A huge crowd, estimated around 50,000 is expected to be on hand for both games.

A gallon of high octane gasoline delivered at a South Pacific base costs 30 cents.

## New Cub Pack Sponsored by American Legion

Announcement has been made this week of the plans for organizing a new Cub Pack to take its place among the Scout units of the Albany District. This Pack will be sponsored by the Albany Post of the American Legion.

Commander L. J. Carroll has given assurances of sound backing for the organization as a part of their service to the youth of the community in conjunction with the sponsorship which the Post has been providing for a number of years for Troop 12, Boy Scouts of America. Mason Layton, District Chairman of the Albany Scout District, has also been instrumental in completing preliminary arrangements.

Parents having boys of Cub age (9, 10, and 11) should watch for further notice in next week's Albany Times regarding elementary training for parents beginning Monday, November 27th. Names may be left with the above officials or with Lawrence L. Collins, Pack Committee Chairman.

## Dads, Daughter Night at Marin

The Marin Dads Club will present its annual Dads and Daughters night at Marin school, Friday, November 17th.

All fathers of girls attending Marin School are urged to be present escorting their daughters and if possible the daughter of someone who cannot attend. The program, which will start at 7:30 P. M. sharp, will be highlighted by a "Sing With Your Favorite Record" contest. The competition for this contest is quite keen and promises to reveal some real talent.

A quiz contest, with six Dads in competition with their daughters, will undoubtedly prove the superiority of the modern mind.

A hilariously funny motion picture has been located for the occasion and Dad Ray Boger, cafeteria chairman for the club, promises a real treat for the girls after the program in the school cafeteria.

Because of the longer distances, the same amount of freight costs 25 per cent more when shipped to the South Pacific than to Europe.

## Police, Fire Departments Short of Men

Unable to secure the services of six additional men, authorized under Lanham Act funds, Albany's nine patrolmen started on a 12-hour day Thursday, November 16.

According to Chief of Police Stanley Williams the increased population of Albany requires either extra men or longer hours for present police personnel. This 12-hour per day schedule is in its experimental stages, Williams stated, and as soon as additional men are secured hours will be regulated accordingly.

Fire Chief Fred Pimental reiterated his request this week: "We need more firemen." Of nine new men, for whom funds have been provided in Lanham Act appropriations, only three have been obtained thus far.

Both Police Chief Williams and Fire Chief Pimental are anxious to interview any eligible man, over 21, for either department.

## Albany Asked To Participate In Mosquito War

Highlight of the Albany City Council meeting Monday evening was the presentation, by Mrs. Kathie Zahn, of a letter asking the council members whether or not Albany will participate in the county-wide Mosquito Abatement District.

Mrs. Zahn presented to the Council unsigned petitions which she requested might be given to the Albany Citizens Committee which, according to her interpretation, is concerned with veterans and citizens problems, to get necessary signatures.

Despite her pleas to Mayor Bert Hill and other council members to act immediately on the resolution which she presented or to authorize the circulation of the petition, it was the opinion of the governing body that it was a citizen's task to obtain the required number of signatures—not that of city authorities.

The entire matter was referred to City Health Officer Dr. Robert McMahon and City Engineer Frank Grey for report back at next Monday evening's meeting.

Following is Mrs. Zahn's letter which was read at this session: Albany City Council, Albany, California.

Gentlemen:  
Investigation with officials of the Alameda County Mosquito Abatement District reveals that Albany is the only city in Alameda County not affiliated with the Mosquito Abatement District, yet the mosquitoes that "invade" our neighboring communities either "pass through" or originate from Albany in many instances.  
In the official publication, "Keeping Alameda County Free of Mosquitoes," it is pointed out that the District is composed of the cities of (Continued on Page 4)

## News of Fighters

Staff Sergeant Paul A. Benke, 33 of this city, has been awarded the third Oak Leaf Cluster to the Air Medal, equivalent to the fourth award of the medal, for "courage, coolness and skill" displayed on bombing attacks over Germany. The airman is an engineer in the Eighth Air Force B-17 Flying Fortress group commanded by Colonel Frank P. Bostrom of Bangor, Maine.

Sgt. Benke's wife, Mrs. Anna Benke, lives at 527 Evelyn Ave., and before he entered the Army Air Forces in February, 1943, he was employed as a foreman for the Certain-teed Products Corp.

Sergeant Donn B. Adams, 21, 1047 Ordway St., top turret gunner in a B-24 Liberator group commanded by Lt. Col. Philip R. Hawes, Pearl River, N. Y., has recently been awarded the Air Medal, "for meritorious achievement while participating in aerial activities against the enemy."

Adams has been overseas since early August and has participated in bombing attacks on key Nazi targets extending from France through to the southern Balkans.

He entered the AAF on Sept. 23, 1942. Prior to this time he was employed by the Standard Oil Co., Richmond, as a leadman in their barrel house. He graduated from Albany high school in the class of '41.

His father, D. B. Adams, lives at the above address.

Lt. Stanley W. Connors, 25-year-old P-51 Mustang fighter pilot, son of Mrs. Margaret Connors, of 842 Talbot Avenue, is among those honored by a Presidential Citation of the 4th Fighter Group of the Eighth Air Force, "as public evidence of deserved honor and distinction."

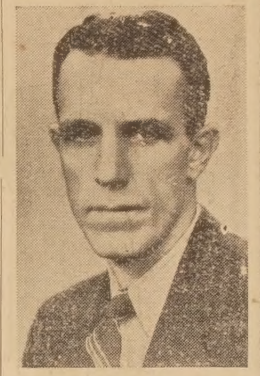

The fighter group commanded by Col. Don Blakeslee, of Fairport Harbor, O., was praised by the citation for "its extraordinary heroism, gallantry, determination and esprit de corps" during the period from March 5 to April 24, 1944, when its P-51 Mustang pilots destroyed 323 German planes, 189 in aerial combat and 134 by strafing attacks.

Sergeant Richard L. Silver, 21, tail gunner of a B-17 Flying Fortress, participated in three of the shattering blows delivered by Eighth Air Force heavy bombers on marshalling yards at Cologne, key transportation and supply center and gateway to the Ruhr. Thousands of tons of bombs were dropped on objectives in the city during the three major attacks in one (Continued on page two)

## Boys Town Eleven Meets St. Ignatius At Kesar Nov. 26

Sunday, November 26th, will mark the first time in the history of San Francisco that an inter-sectional high school football game has been staged, when the Boys Town football team of Nebraska clashes with the strong St. Ignatius eleven of San Francisco in Kesar Stadium. The game is scheduled to start at 2 p. m.

Father Flanagan will accompany the team and will speak between halves. The game is sponsored by the Fraternal Order of Eagles of the bay area, with all proceeds to go to Boys Town. Tickets in the reserved section may be obtained for \$1.75 with general admission

Coach Skip Palrang.

set at \$1.25. Special rates will prevail for service men and school children.

Orrin "Babe" Hollingsberry, coach of Washington State College and co-coach of the West Shrine football teams has been in the bay area for the past two weeks stimulating interest in the game and predicts a sell out crowd of 60,000 which will top the high gate the Boys Town squad has hit to date, 44,000 at Detroit. The Boys Town team will play Gonzaga High at Spokane the Sunday preceding the game in San Francisco and Loyola High at Los Angeles on December 2.

The Boystown squad is coached by Maurice "Skip" Palrang, ex-Creighton University grid boss. Palrang was appointed athletic director and head football, basketball and baseball coach at Boys Town in August, 1943, by Father Flanagan when Creighton University dropped football for the duration.

He coached at Creighton Prep in Omaha prior to his advancement to the head coaching position at Creighton University. At Creighton Prep, during his six year regime, his football, basketball and baseball teams won many state championships in Nebraska prep circles and his teams were always

## Legion Continues Membership Drive

The membership campaign being conducted by Albany Post 292 The American Legion is still on and will be continued for the balance of the month of November with the hopes that the Post will have reached and passed the quota set for the Post by the Department of California. For the second time this month the initiatory team of the Post will initiate a large group of candidates into the American Legion Friday evening, Nov. 17th at the Albany Memorial Building. Charles Lindh, 1st Vice Commander of the Tenth District, the district's membership chairman and a past commander of Albany Post is lending aid and inspiration to Russell Rothschild the Post's membership Chairman to get the Post over the top.

At the last meeting of the Post the membership roll of new members and re-enrollments had reached 123 just half of the quota set by the Department. It is being rumored about Legion circles that if and when the Post reaches its quota that O. C. (Chub) Yenne will put on one of his famous and almost forgotten Clam Chowders, for Yenne has not had the opportunity to stage a clam chowder repast since Pearl Harbor.

In addition to the initiation scheduled for Friday evening the entertainment Committee will have something of interest at the close of the meeting. Commander Carroll will also select the members of the Post who are to work with the Community Sixth War Loan Committee under the direction of William Bowman, the General Chairman. Past Commander Godfrey P. Hanson is the Albany Post representative on the Sixth War Loan General Committee.

## Albany Board of Education In Routine Meeting

The regular monthly meeting of the Board of Education of the Albany Unified School District was held on Thursday evening, November 9.

At the meeting it was reported to the Board of Education that enrollment in the new Codornices School has now reached a total of 621. Of this total, 271 children are from the Berkeley side of Codornices Village, in the Berkeley-Albany Housing Project, and 350 children are from the Albany side. Anticipating a continually increasing enrollment at this school the Board of Education approved the purchase of 27 additional tables and 200 more chairs to complete the furnishing of existing facilities.

The employment of the following four teachers for the school was also approved: Mrs. Marjorie Saylor, Mrs. Alberta Jones, Mrs. Jeanne Bate Lawson, and Mrs. Kathryn Guppy.

Since the work at Codornices School fully justifies the employment of a full-time secretary, Mrs. Elinor H. Windle was employed to serve in this capacity.

An offer of funds from the Federal Works Agency for Child Care Center operation was accepted by the Board of Education on behalf of the Child Care Centers of Albany which are operated under the jurisdiction of the school district. This offer will provide \$45,704 of federal funds to be available for operation of the Child Care Centers until June 30, 1945. Fees from par-

ents will provide the balance necessary funds.

The Board of Education formally approved the following employees: Albany Evening School—William Emery, Mrs. Louise Hammond, David Boyce, and Paul Jorgensen; Child Care Center Employees—Mrs. Ola Lanford, cook; Mrs. Virginia Jones, Mrs. Elizabeth Clemens, Mrs. Ellen Lieber, teachers; Mrs. Gladys McRee, Mrs. Fred Hoppe, Mrs. Utice Carpenter, Mrs. Orman Means, teaching assistants; Mrs. Juanita Warren, matron.

Monday, November 20th, will find members of the Albany War Finance Committee ready to go the city off to a flying start in the sixth War Loan campaign starting on that date and scheduled to close on December 16th. Local committeemen have geared their plans to put the city over the top in its quota of \$443,792 early in the campaign, adopting as their slogan "Finish the Fight With War Bonds."

Opening the campaign features will be the presentation of the sixth War Bond Show scheduled for the Albany Theatre the evening of December 6th, again co-sponsored by the Albany Exchange Club, American Legion and Fraternal Order of Eagles. As in previous campaigns, admission to the "Premiere" will be by purchase of War Bonds only and the three organizations are now lining up entertainment features to make this event the best ever.

Tickets to the affair will be distributed starting Monday morning with purchases of war bonds at the Albany Theatre, Mechanics Bank, Bank of America, Post Office and Albany Federal Savings and Loan Association.

In addition a corps of lady workers will start the "Block-Buster" campaign, a house to house solicitation of war bond purchases under the direction of Gertrude Ross, chairman of the women's organizations. Purchasers during this house to house campaign will also be entitled to tickets to the show.

A feature of the Theatre's publicity program during this campaign will be huge V-Mail letters signed by bond subscribers the night of the Premiere, which will be photographed and in turn mailed to staff headquarters of our fighting generals and admirals on all the far flung fronts. The slogan of the V-Mail letter states, "We're buying that extra "E" Bond for your sake . . . and ours." A facsimile of the letter is now on display in the lobby of the theatre.

Citizens are urged to cooperate with the local committee in their efforts to top the quota early and put Albany once more in the lead in cities of comparable size and population.

## Cub Pack 3 Plans Xmas Party

With their usual enthusiasm in evidence, cub pack three scout committee met at the home of James Smith, 1045 Pomona Ave. last Friday evening, November 10th to plan activities for the next thirty days.

Coming events which received the attention of the committee included some of the following activities. On next Saturday the entire pack will journey to the Memorial Stadium to enjoy the Albany-Piedmont High School and the U.S.C.-California games.

A proposed trip to the local naval station at the site of the Albany Race Track is in the offing for early December. Sunday afternoon intrapack football and baseball games are to be played as often as feasible. The annual cub pack Xmas party on December 15th received its full share of discussion and promises to surpass previous parties in every way.

If you are looking for Saturday morning entertainment for children—the Variety Show, given for the benefit of Children's Hospital of the East Bay—offers amusement beyond expectation. The morning show will start at 10 o'clock and the place is—1428 Alice Street, Oakland. The date, Saturday, November 18.

## "Color Day" at Albany High

Albany High will hold its first "Color Day" on Tuesday, November 21. Color Day is one day in the year when the students appear in the school's colors, red and white. A student court will be set up and anyone failing to display the colors of the school will be brought before the judges.

On the same day a rally will be held in the gym, sponsored by the traditional Albany-St. Mary's football game, which will terminate the 1944 football season.

To top off the day, a barn dance will be held in the gym, sponsored by the Albany Board of Control. As the dance has a Sadie Hawkins theme, the girls will ask their dream boys to the hop. Tickets may be purchased at 20 cents a couple and will be sold at the door.

All proceeds go to the athletic department, to buy needed equipment for the coming seasons.

## New Recreation Room for NLFED

The new Red Cross Recreation room for enlisted personnel at the Naval Landing Force Equipment Depot in Albany was officially opened last week (Friday night, Nov. 10). Mrs. Horace C. Laird, wife of Captain Laird, commanding officer of the depot, flew out from Norfolk, Va., to dedicate the new center.

The rooms were furnished by the Camp and Hospital Services Committee of Berkeley Red Cross Chapter, under the direction of Mrs. H. H. Benedict, vice chairman and in charge of furnishings.

The affair which was attended by officers, enlisted men, their families and guests, was arranged by Mrs. William E. Lehr, vice-chairman of the Army and Navy Committee and in charge of Red Cross activities at the depot.

## Expresses Thanks To Supporters

Assemblyman Gardiner Johnson, re-elected to represent Albany and Berkeley in the State Assembly for a sixth term, this week expressed his thanks to the voters for support given him at the polls. Victor by a margin which continues to mount, the local legislator expressed extreme gratification at the majority of his win.

In conveying his thanks, Assemblyman Johnson said: "I wish I could express to each of my friends and supporters a personal word of sincere thanks for their continued confidence and support. In the next session of the legislature, I will continue my active representation of this assembly district in such a way that I hope to justify their endorsement of my record of service. In expressing my appreciation I want particularly to thank the Albany Times for making available its facilities so that the issues might be stated to the people."

Commenting on the commanding lead over his opponent in face of a large Democratic lead in registration in the 18th Assembly District, Johnson said: "The results show that Berkeley and Albany people do not vote a straight party ticket, but that they vote for the individual candidate. My margin of victory shows, I believe, that the majority of both Republicans and Democrats want constructive efforts to solve California's problems and that they will not be sidetracked by the personal attacks of a noisy minority group."

Johnson is now in Washington attending a meeting of the nation-wide Drafting Committee of the Council of State Governments. Postwar and reconversion legislation will be pre-

**Fire Chief Cites Furnace Danger**  
Fire Chief Fred Pimental of Albany today urged residents to check floor furnaces for accumulated lint and other materials which may have gathered during the summer months. Chief Pimental stated, "Each winter we receive calls on small fires originating below the grating on floor furnaces. Many times we have found, upon investigation, cases where fires were caused by persons drying clothing over a grate or floor furnace, and through a bit of negligence have forgotten them until they became ignited. The chief warned: "If you must dry clothing over a grate or close to an open fire 'please watch them'."

## Crosby Picture At the Albany

Playing now at the Albany Theatre is the power packed show starring Edward Robinson with Lynn Bari and Victor McLaglen in "Tampico." It is the story of the Merchant Marine playing its role through Jap and Nazi infested waters to deliver supplies to overseas armed forces. With this picture is Roy Rogers in his newest popular "Song of Nevada," with Dale Evans and Mary Lee and the Sons of the Pioneers with Trigger, smartest horse in the movies.

The Crosby picture "Going My Way" opens Sunday at the Albany and will be held four days through Wednesday to give all a chance to see this great American picture, according to William Garren, manager of this popular theatre. "Going My Way" is reported to be the biggest box office picture of 1944.

## MARIN P. T. A.

The November 14 meeting of Marin P.T.A. was of special interest to every parent of today. Gorman Doubleday, Pastor of the Friends Memorial Church of Berkeley, discussed the effect the radio and motion pictures have on a child's life in keeping with this month's theme of "Life Takes the Family Pattern in Our Town."

Eleven year old Allen Babros played two clarinet solos, Nancy Hewetson sang two solos and they were accompanied by Carol Babros at the piano.

Troop 29 of the Girl Scouts cared for small children under the supervision of Mrs. Hanson.

## To a Man who'd like to be a Railroad Clerk

Here at S. P. we have many different jobs for clerks—jobs mostly requiring no experience. Now these are railroad jobs. There's a bit of "color" to 'em. No cut and dried routine. Locomotives, war trains, passengers—plenty going on! You'll be part of a great transportation team, part of our S. P. family. New, higher wages, railroad pass privileges, fine pension plan. A good job with a big, permanent outfit. Come in and see us. We think you'll be glad you did.

Many other jobs, too, requiring no experience.

## A CARD OF THANKS

To all those citizens who foresaw the necessity of having future funds available for matching State and Federal contributions for the maintenance of and improvements to, Streets, Parks and other public facilities, thereby supplying jobs as a post-war program; and who gave so generously of their time in promoting Proposal No. 1 which would have effected that purpose, we desire to extend our grateful appreciation.

## LOANS TO VETERANS

Under Title III of "G.I. Bill"

WE are prepared to offer all available information to veterans regarding home loans under provisions of the Servicemen's Readjustment Act of 1944. Veterans will be eligible to loans on their own homes for the following purposes:

- 1 A loan for the purchase or construction of a dwelling.
- 2 A loan for making repairs, alterations, or improvements in residential property.
- 3 A loan to refinance delinquent indebtedness on residential property.
- 4 A loan for paying delinquent taxes or special assessments on residential property.

# STRAIGHT TALK

## ABOUT THE

# SIXTH WAR LOAN DRIVE

**A**S WE MOVE closer to victory, it wouldn't be surprising if you were saying to yourself—"What's the big idea of asking for all this additional money now? Isn't the war almost over?"

No sir, it is not! Not by a long shot. Of course, for many months now you've heard mostly about the war with Germany, where our greatest effort is concentrated. That's why many people have the idea that the war's practically over.

But make no mistake about it—nothing could be farther from the truth! The Japanese war is a tremendous undertaking, and victory will come high. We'll have to fight every inch of the way.

### Everything Costs More— in the Pacific War

The European war is expensive, but almost everything in the Pacific war will cost more. Take transport costs, for instance! Because of the longer distances, the same amount of freight costs 25 per cent more when shipped to the South Pacific than to Europe. And it takes twice as many cargo ships in the Pacific to support a task force of a given size because turn-around time is twice as great!

### More Planes ... Tanks ... Ships ... Oil

In addition, we shall need more of everything. More B-29 Superfortresses that cost \$600,000 each. More P-47 Thunderbolts that cost \$50,000 each. More M-4 Tanks, with bulldozer blades,

that cost \$67,417 each. More amphibious tanks—more aircraft carriers—more supply ships—more gasoline and oil than it took for the invasion of Europe!

### Care for the Sick and Wounded

And lest anyone forget, we shall need more battalion aid stations—more clearing stations—more evacuation hospitals—more convalescent hospitals—more hospital ships.

For many, many years the sick, wounded, and otherwise disabled veterans will require medical attention and care. That's the least Uncle Sam can do in appreciation of what they've done for us.

### Maintenance for Millions

Did you ever stop to think how much money it costs to maintain the 11 to 12 million men and women in our army and navy? Whether the men are actually fighting or not, they must be fed, housed, transported from one training center or battle area to another, cared for in a hundred and one different ways. That all costs money and will continue to until the last man demobilized is back in civilian clothes.

In addition, millions of dollars will be required for mustering-out pay, for various benefits and services voted by Congress to help the boys get started in civilian life.

These are reasons enough why patriotic Americans will want to buy heavily during the Sixth War Loan. But here are still more—

### Winning the Peace—for Your Country

If we're to win the peace as well as the war, the cost of living must be kept down and the purchasing power of money preserved. A reckless inflation that would necessarily be followed by the catastrophe of deflation—with its unemployment, bankruptcies, misery and heartache—must be prevented at all cost.

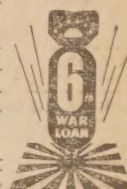

Let's make no mistake—a dangerous period lies ahead. The American people have nothing to fear, however, if they show in the future the same common sense they have shown in the past, and continue to put every penny over rock-bottom expenses into the purchase of more and more War Bonds.

### Winning the Peace — for Yourself

Want another important reason? Yourself! There isn't a better or safer investment in the world today than War Bonds. In helping your country, you are also helping yourself! Never in our entire history has it been so necessary to save as right now. We'll need money, individually, for education, repairs, replacements, retirement—and we'll need a lot of it.

As you can see there are many reasons, important reasons, why our Government must have the financial support of everyone, and have it for many months to come.

Let all Americans do their part—for their own sake, for their country's.

## BUY AT LEAST ONE EXTRA \$100 WAR BOND...TODAY!

**REMEMBER WHEN**  
—the "Family gathering" was on Thanksgiving Day? There was not enough table room so the children had to wait until the elders had eaten. Their hunger was prolonged almost to the breaking point, but when the second table was set the long wait was forgotten in the scramble for the drum sticks. Remember?
